

MySEARHC Quick Reference Guide

Installing the MySEARHC Mobile App

<p>1</p>	<p>On your device, access the App Store (Apple) or Google Play Store (Android).</p> <p>You will access MySEARHC via the MEDITECH MHealth app. This app is currently available on Android and Apple devices - if you are on an unsupported device, you can access your secure, personal health portal through a web browser.</p>	
<p>2</p>	<p>Search for 'MEDITECH MHealth'</p> <p>Install or Get the MEDITECH MHealth app.</p>	
<p>3</p>	<p>Once the app is installed, search for "MySEARHC"</p> <ul style="list-style-type: none"> Optional – Enable location. Your device will ask if you would like to allow the app to access your location. Grant access IF you would like to use the functionality to find a portal 'Near Me.' Search by state. Alternatively, under 'Choose a portal', select My Recent Portals and from the Search pop-up window, select US States then Alaska. Select 'SouthEast Alaska Regional Health Consortium MySEARHC' from the options. 	
<p>4</p>	<p>Log in to MySEARHC.</p> <p>Once MySEARHC is selected, you will be taken to the log on Sign In screen, enter your current Username and Password and select Sign in.</p>
