

STRATEGIC PLAN FRAMEWORK

Values

RESPECT | CULTURAL IDENTITY
SERVICE | PROFESSIONALISM | COMPASSION

Mission

Alaska Native People working in partnership to provide the best healthcare for our communities

Vision

Partnering with our communities to promote a healthy balance of mind, body, and spirit

View 2028

SEARHC innovates in healthcare, delivering world-class, comprehensive care that sets the new standard in healthcare delivery. We are a unified team of compassionate caregivers, and we seamlessly adapt to Southeast Alaska's evolving needs while maintaining our legacy of healing.

Caring for Our Caregivers

Everyone who works at SEARHC is a caregiver, working together to build a strong resilient team.

High-Quality Healthcare for All

SEARHC ensures all who live in its communities have access to its high-quality care.

One SEARHC

Delivering accessible and seamless healthcare that enhances the health and wellbeing of those we serve.

Strategic Themes
