WEATHER

Juneau's climate is similar to much of Southeast Alaska and Pacific Northwest coastal areas. Winters are long, icy and windy with temperatures dropping into the 20s. Summers are cool and overcast with the weather staying wet year-round and temperatures hovering in the 60s. The best weather last from early May to early July.

WHAT TO SEE AND DO

Juneau's second largest industry is tourism, and it's easy to see why. Juneau is rich with history, culture, natural beauty, a bustling food scene, and wildlife. You can walk the Downtown Historic District or take a short drive to the majestic Mendenhall Glacier. There are endless options for outdoor activities including kayaking, whale watching, hiking, fishing, camping, wildlife viewing or mountain biking — all within minutes of downtown. Do you like to ski? Eaglecrest ski area on Douglas Island is just a 15-minute drive from downtown, with big mountain terrain and stunning views.

Juneau has no shortage of great places to eat, drink and shop. Thanks to the waters that surround the city, fresh local seafood is in abundance. Juneau is also home to multiple award-winning breweries, as well as a budding coffee scene with two local roasteries.

RECREATIONAL AND OUTDOOR ACTIVITIES

SHIPPING

Shipping your vehicle, furniture and other belongings.

Alaska Marine Lines

Alaska Marine Lines offers regular service between Seattle and Southeast Alaska, Central Alaska and Hawaii, as well as seasonal service to Western Alaska. For more information, please visit lynden.com or call 800.326.8346.

Alaska Marine Highway System (AMHS)

Alaska's footprint is more than 650,000 square miles and much of that has no road access. The primary forms of transportation in areas without roads are by air or sea, so the Alaska Marine Highway is a big part of the "highway system." It is such a unique set of water routes that it has been designated as a National Scenic Byway and an All-American Road, the only marine route with this distinction. Shipping can include vehicles, trailers and pets.

With its southernmost port in Bellingham, Washington, the Alaska Marine Highway System extends more than 3,500 miles to Dutch Harbor, with over 30 stops along the way. Taking a ferry is an excellent way to see a huge swath of Alaska's coastline while visiting unique communities along the way. For reservations, call 800.642.0066, email dot.ask.amhs@alaska.gov or book online at dot.alaska.gov.

Ferry System

If you are planning on utilizing the ferry system to move to Juneau, there are three routes you can take:

You can embark from Bellingham, Washington on a four day journey through some of Alaska's most scenic waterways.

You can drive up into beautiful British Columbia to embark from Prince Rupert on a roughly a three day journey that is just as scenic.

You can adventure by car across British Columbia and up into the Yukon Territory, exiting through Whitehorse into Skagway, Alaska, a common entry to Juneau with a short six hour ferry ride.

PET TRAVEL TO ALASKA

AMHS Pet Policies

Alaska state ferries do allow pets on board all vessels.

- When traveling on the ferry your pet must remain on the car deck in your vehicle for the entire sail.
- If you are traveling on the ferry without a car, your pet must remain in a suitable pet carrier on the car deck during the entire sail.
- Pets are not allowed above the car deck or in passenger cabins. Owners may visit their pets on the car deck only while vessels are in port. Owners are also given the opportunity to attend to pets several times per day during extended sailings. This is done through the purser who will announce on board when the car deck will be open for approximately 15 minutes. During rough weather, at the purser's discretion, car deck calls can be canceled due to safety issues with passengers on the car deck. If this happens, no access to your pet is possible at that time.
- Owners will have the opportunity to disembark and walk their pets while vessels are in port.
- Dogs, cats, and other household pets cost approximately \$50 in or out of Bellingham and \$25 to or from Prince Rupert. Pet travel between any of the other ports is free.
- There is no charge on any route for a certified service animal accompanying a person with a disability. At the time of booking, please notify the reservations agent if you are traveling with a certified service animal and the reservations agent will inform all AMHS terminal and shipboard staff. Only certified service animals are allowed on passenger decks aboard Alaska Marine Highway vessels. Comfort and therapy animals are required to follow the AMHS pet policy and will be restricted to the car deck.

Vaccination Documentation Required

Pets must have a health certificate with proof of current rabies vaccination issued within 30 days of travel. Health records are required for pets entering the state of Alaska, and will need to be shown in Bellingham, Washington, or Prince Rupert, British Columbia before boarding.

A certificate of health is not required for pets when traveling between Alaskan ports. For travel by road through Canada, proof of a rabies vaccination within the last three years is required, but passengers should check directly with Canadian customs for additional information.

Pet Air Travel to Alaska

- Space for pets traveling in the cabin or in the cargo compartment is subject to availability. For travel on Alaska Airlines and Ravn Alaska, please contact Alaska Airlines reservations at 800.252.7522 or alaskaair.com. If your plans include travel on another airline, please contact the carrier directly to reserve space, determine fees and obtain additional information.
- Note: Alaska Airlines does not transfer pets traveling in the baggage compartment to other carriers. Pets must be claimed and rechecked to the connecting carrier.
